### COVID-19 POLICY

Although the pandemic is not behind us, we remain confident that we'll be able to gather a significant number of members from Europe (and hopefully beyond) in September. We will of course observe the sanitary best practices and [guidelines](#) required by the French authorities.

At the moment, we are told that to attend the Summit of Minds all participants will need to show a proof of vaccination or a valid (less than 72 hours) negative PCR test.

On our side, whenever possible, sessions will take place outside, not only to reduce risk but to enhance the summit experience. All participants will be asked to wear masks and the requisite social distancing regulations will be strictly observed for the parts of the summit that take place indoors.

We will provide regular updates with regards to how local epidemiological regulations are evolving.

If we are forced to cancel the MB Summit of Minds, the policy detailed in the [Terms & Conditions](#) will apply.
