

## USEFUL INFORMATION

### ORGANIZATION & LOGISTICS

Your registration fee covers participation for you and your partner in the full Summit programme, including meals and outdoor activities.

Accommodation and transfers to Chamonix are not included. But we have organised special rates for Summit of Minds participants at a variety of hotels in Chamonix, as well as advantageous rates with a transport company for airport and station transfers. And of course, we are here to help you with their organization.

Outdoor activities all take place under the professional supervision of certified mountain guides.

As you all know, a central theme of the Summit is 'with Nature', of which the weather is a fundamental component. Nature is generous but not always predictable and the forecast for the weekend is variable at best, so please come prepared with wet weather clothing and/or an umbrella, layers for adjustable warmth, walking boots or trainers, a backpack and a water bottle.

As always the dress code for the weekend is informal - wear what you feel your best in, including for the Gala Dinner.
