

## USEFUL INFORMATION

### ORGANIZATION & LOGISTICS

This fee covers participation in the full summit programme, including meals and outdoor activities, for one person. Accommodation and transfers to Chamonix are not included. But of course, we are here to help with their organisation both for the Summit weekend or should you wish to come earlier or stay longer.

All outdoor activities take place under the professional supervision of certified mountain guides. Equipment for ice climbing (weather permitting) will be provided by our partner company Mountain Path. For ski-touring and snow shoeing equipment, either bring your own or rent in advance in Chamonix. Please see below a few of our recommendations on where you can rent your equipment (we are also here to help).
